## What Your Support Means...

**\$150** - provides 15 (\$10) gas vouchers or 15 monthly bus passes that enable your neighbors to go to work. It also purchases 50 Arizona I.D.'s, which is often the only thing standing in the way of individuals obtaining employment.

**\$600** - will pay the electric bills for 8 households this month. It also will provide uniforms to 20 people who are returning to work or enable 25 people to secure a drug test so that they are cleared to start to work.

**\$1,000** - will provide 50 prescriptions for people who are being dismissed from the hospital or need critical medication during an illness. It funds the rent for 2 households this month and keeps families off the street. It pays for minor repairs to 10 vehicles for owners who desperately need this transportation to go to work.
