What Your Support Means...

\$150 - provides 15 (\$10) gas vouchers or 20 monthly bus passes which enable your neighbors to go to work. It also purchases 50 Arizona I.D.'s which is often the only thing standing in the way of individuals obtaining employment.

\$600 - will pay the electric bills for 8 households this month. It also provides uniforms to 20 people who are returning to work or enables 25 people to secure a drug test so that they are cleared to start to work.

\$1,000 - will provide 50 prescriptions for people who are being dismissed from the hospital or need critical medication during an illness. It funds the rent for 3 households this month and keeps families off the street. It pays for minor repairs to 20 vehicles for owners who desperately need this transportation to go to work.

Who is ICS?

Since its founding in 1985, ICS has been guided by its mission **to help seniors, disabled individuals and people in financial crisis achieve stable and independent lives with the support of volunteers, faith communities, and the community at large.** With more than 600 volunteers and nearly 50 member faith communities, ICS fills gaps in local services and helps many individuals and families obtain necessities that they might otherwise be forced to go without.

How Does ICS Serve?

In 2008, we provided over 45,000 individual services to more than 24,000 people! Our programs fall into two categories:

ICS Senior Programs work with seniors and disabled individuals who need additional support in order to remain independent in their homes. Programs in this area include:

- **Caregiving Services**
- **Mobile Meals**
- **Health Advocacy**

ICS Social Services are available for low-income families and those facing financial crisis. Programs in this area include:

- **Food Bank**
- **Emergency Financial Assistance**
