

## **Earn money for ICS by Shopping at Bashas and Albertson's**

Are you a Bashas' customer? If so, you can earn a donation of 1% of your shopping dollars to be directed to ICS. Here's how it works. Simply take the following number (25111) with you when you make your next purchase. The cashier will enter it during your checkout and a message will appear on your receipt. After that, every time you shop at Bashas, 1% of your total purchases will be donated to ICS.

Do you have an Albertson's "Community Partner" card? Earn funds for ICS every time you shop at Albertsons by scanning your Community Partner Card. ICS will receive 1% of each purchase. Stop by the ICS office to pick up your "Community Partner" card, if you don't already have one.

With the holidays approaching, make your shopping dollars count ... link your Bashas' and Albertson's cards to ICS today!
