Agency to dedicate new wing

Interfaith Community Services will mark the completion of a \$540,000 project to expand and upgrade its offices at 2820 W. Ina Road with a Dedication Ceremony and Open House on Thursday Oct. 16 from 3 to 5 p.m.

The construction of the new ICS Caregiving Services Wing nearly doubles the size of the agency's offices. In addition to ending a period of severe overcrowding for ICS staff, it allows the agency to expand its services for seniors, disabled persons and families in financial crisis.

The project was made possible by contributions and grants from more than 230 individual donors and organizations, according to Monnie Applegate, ICS development director. Major funding was provided by Pima County Community Development Block Grants and by the Walter and Juliet J. Absolon Foundation.

After a brief dedication ceremony, there will be tours of the ICS facility, including the just-completed "Garden of Caring." There also will be refreshments and special mementoes of the event.
