

## For The Need Now 250 for \$250

### The need is great

A month's rent. \$25 for a tank of gas. **Have you ever needed a little help?**

In this economy, men and women who have never needed help before are struggling to provide for their families after losing their jobs, their medical coverage and, in some cases, their homes.

They are turning to Interfaith Community Services in record numbers. **For 25 years, ICS has been helping seniors, the disabled, and individuals and families in financial crisis in Pima County achieve stable and independent lives.** Now ICS is getting up to 300 calls a day for financial assistance.

But the same economic woes that are driving more people to seek help are also forcing local governments and other funders to reduce their support for ICS.

### Announcing the 250 for \$250 Campaign

To meet the growing demand for its services during its 25<sup>th</sup> anniversary year, ICS is launching its **250 for \$250 Campaign**. It is seeking 250 donations of \$250 from individuals and groups to raise \$62,500 for services now. **But gifts of any size will help.**

Your **tax-deductible donation** will build on the work of more than 600 volunteers and more than 50 faith communities. It may qualify for an **Arizona income tax credit** for up to \$200 per individual and \$400 per couple.

### A heartfelt thank you

Each \$250 donor will get two tickets to ICS's 25<sup>th</sup> Anniversary Concert with R. Carlos Nakai and Gabriel Ayala on Oct. 10 and recognition in the concert program.

Please give today. Every gift makes a difference. No gift is too small. Thank you.
