'She gave me hope'

The connection these two women enjoy today was born out of a desperate need.

Gloria, in her 70's, being released from the hospital, was well enough to go home, but still very weak, and with no family in town to help her in recovery.

Nancy, volunteering in the ICS Care Partners program, to help Gloria through her first six weeks at home. "Sometimes I was just so exhausted," says Gloria. "Nancy was always so sweet. She gave me hope, for one thing." Nancy also gave her rides

to the doctor's offices, pharmacy, and grocery store.

With Gloria too weak to drive, Nancy's help came in the form of vital, non-medical support. She helped Gloria get fresh and healthy

food that fit into her special diet. She encouraged Gloria as she began walking and building her strength. Gloria says she was surprised when she first heard of the ICS Care Partners program in the hospital, and knows that without that help, recovery would have been very difficult. "This is out of the ordinary," she says. "Nancy has a good sense of humor and a whole lot of patience." Nancy continues to volunteer in the Care Partners program and says she was happy to assist Gloria in her recovery. "You can see you really help and make a difference."

The Care Partners program demonstrates tangible expressions of hope and connection through such simple services as providing transportation to follow-up appointments and grocery shopping. For recipients, the kindness of Care Partners volunteers

A Word from the CEO

Dear Friends of ICS,

The first quarter of 2017 was a flurry of activity and good news for those we serve here at ICS. Here are a few highlights:

- In January, we began a new contract resulting from a two-year competitive grant award to ICS by the Arizona Attorney General (with court settlement funds) that doubled our financial assistance to prevent homelessness.

The Steps to Stability program helps individuals and families avoid homelessness through emergency assistance focused on housing payments and removing barriers to employment. In this program, ICS requires recipients to complete a self-sufficiency assessment with our case managers, engage with our job resource centers and attend a budget workshop.

- March 2017 brought a sold-out Empty Bowls event in support of the ICS Food Banks. Our gratitude goes out to our event chair, Sandy Ricker, who along with amazing volunteer and staff committee support made Empty Bowls 2017 such a resounding success.

This is good news for those we serve because it offers more help, hope and a path to self-sufficiency. Your support enables us to meet community need with compassion and dignity.

In gratitude,

K. Daniel Stoltzfus
Chief Executive Officer

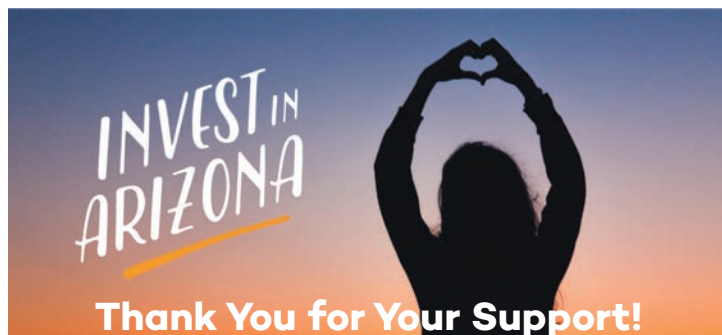

Care Partners (cont. from page 1)

is the next best thing to having family and can be the difference between hospital readmission and moving along on the road to recovery.

Thanks to funding from the David and Lura Lovell Foundation, the Care Partners pilot program seeks to make a difference in the lives of people recently released from the hospital who are without social support to assist in their medical recovery.

Since its launch in October 2015, the program has expanded to include 20 specially trained volunteers and to partner with two healthcare facilities (Banner University Medical Center and El Rio Community Health Center). As we continue on this path of service for our community, a critical need as expressed by the partnering health care facilities is to recruit bilingual volunteers to meet the needs of our Spanish speaking recipients.

Won't you share in this vision by volunteering your time? For further information, please contact **Veda Kowalski** at vkowalski@icstucson.org or call **520-297-6049 ext. 218**.

A big thank you to all of you who donated to ICS on Arizona Gives Day April 4! This 24-hours of online giving began in 2013 and gives people a chance to donate to causes you believe in. ICS raised \$5,936 in online donations that will continue supporting people with:

- Emergency Assistance
 - Self-Sufficiency Programs
 - Caregiving and Senior Services
 - Faith and Community Health Education and Awareness
- Thank you!**

Taking Control of Your Money

Even the cost of a bag of chips was part of the discussion in a free financial literacy workshop hosted at ICS. Participants dug in for the day and took a hard look at fixed expenses and those that can be adjusted. Led by ICS volunteer and former math teacher, Phyllis Fassio, they worked at changing any conceptions that money has a sort of "magic" about it.

Instead, this workshop encouraged students to look at realistic ways to think about expenses and realize they can control some of what they spend. The workshop is required for those who receive funding through the new Steps to

Stability grant which helps individuals and families avoid homelessness and gain self-sufficiency through short-term rent and housing assistance and removing barriers to employment. One participant called the workshop "awesome"; another said it helped to think about which items are needs and which are wants.

Help for Veterans

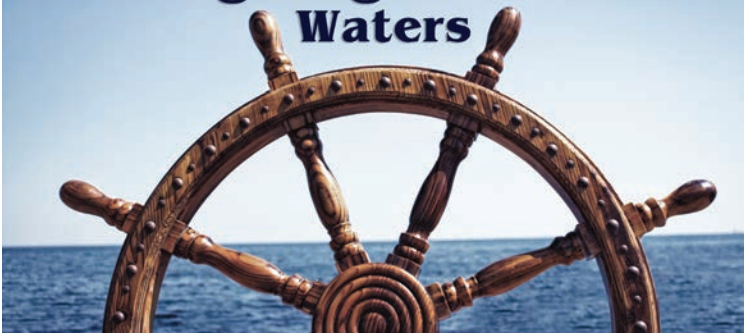

ICS is partnering with the Veterans Administration to help fight veteran homelessness. VA staff member **Andrew Young** is offering information on site once a week at the ICS Food Bank for any homeless veteran.

In general, veterans have twice the risk of becoming chronically homeless as other Americans. If you know a homeless vet please let them know Andrew will be at the ICS Food Bank on Ina Tuesday mornings from 9am-noon to answer questions and offer available resources.

At 95, Dick lives on his own, and is grateful for the help of the community around him, including ICS Telecare volunteers who call him each weekday morning to see how he is. "I count on them," he says. "I feel like I know the people that call."

One of those volunteers is Jim Cichy who is on the phone each Tuesday morning making calls from the ICS Main Office. He has a list of people to call and he takes his time with each person. When ICS volunteers call they not only say good morning, but check to see how each person is feeling, ask about their families or the weather

Dick says though his children invited him to live with them, he prefers to stay in Tucson living on his own. He recalls arriving here in 1989, seeing the mountains and saying, "This is it."

or the recent road construction. "This is an important way to reach an isolated population. We can be their connection to the world," says

ICS Health and Senior Services Director Veda Kowalski. The ICS Telecare program provides comfort for many families who just want someone to check in with a parent or relative living on their own.

Jim Cichy has volunteered with ICS for more than 15 years. He spends about an hour and a half making phone calls to people once a week.

For Dick, receiving one of these calls is a pleasant part of a day that might also include writing a letter to a friend or relative, playing the organ in his living room, or chatting with a helper who comes in three times a week to clean the house or do the shopping.

It wasn't that long ago he worked to stay fit by doing 20 pushups a day, or spending 30 minutes on the treadmill. Now when he wakes up he'll do leg lifts and stretches in bed, and he makes sure to walk back and forth to the mailbox three times after the sun goes down. "I think I'm quite conscious of my mobility and endurance going down. But I want to keep pushing myself." He credits good genes from his mother for helping him reach this stage. She died at 93. "Everybody said when I was a kid, I took after my mom." Living alone, he says, doesn't bother him. His sons and daughter check in regularly. He's grateful for the freedom to live in his own home, and the help he receives to keep him there. "I think I can hang in there for a while," he says.

Volunteer Update

National
Volunteer
Week
April 23-29

We love our volunteers!

ICS Volunteers make great things happen and we're excited to say thank you during National Volunteer Week! All ICS volunteers are invited to drop by for special treats and goodies offered at the ICS Main Office Monday-Friday April 23-28 during business hours. Eastside volunteers will also be honored throughout the week.

Whether you deliver Mobile Meals, work in the ICS Food Bank, schedule drivers, answer phones or do any of the many other valuable tasks ICS volunteers perform, we want to say thank you! It's only with 750 volunteers that ICS is able to carry out its mission of helping people lead stable, healthy and independent lives!

There's usually a smile on the face of front desk volunteer **Marilyn Zimmerman**. But it got even bigger when she received this unexpected thank you! Marilyn had bought art supplies and other gifts for a school-age girl through the ICS Holiday Gifts of Love program. She received a four-page hand-colored, cheerfully decorated thank you in return, carefully addressed to Maryland. Geography aside, what a great way to say thank you!

ICS Connect!

ICS Connect! is a monthly, drop-in meeting for ICS volunteers to build community. Many volunteers give freely of their time without getting a chance to meet other ICS volunteers. This is your chance! **ICS Connect!** is a great way to share experiences, learn from fellow volunteers, get your questions answered and enjoy lunch on us!

Thank you for your support!

"Empty Bowls is truly a community event!"

This is the sentiment expressed by the potters of Pima County, the Empty Bowls committee members, the ICS staff, and the attendees. It is so wonderful to be a part of a community who pulls together to fight hunger. The 6th annual Empty Bowls event was one of the best yet. The restaurants in our community provided delicious soups, breads and desserts for guests to sample. The abundant silent auction offered more than 200 items to bid on, while the raffle gave many a chance to win fun and unique items, and each attendee went home with a beautiful handcrafted pottery bowl.

We want to give a HUGE thank you to the potters in our community. Their unique pieces make our event so special. We are also grateful for the work of the dedicated committee, led by Sandy Ricker. Thank you also to our supportive 150 volunteers and generous sponsors and donors. This year you helped raise over \$74,000 to help the ICS Food Banks serve families and individuals in our community. This year's efforts will enable the ICS Food Bank on Ina to continue Tuesday evening hours for families and individuals who are working during the day.

Free Tax Help Draws Record Response

Trained volunteers set a record in the number of people they helped with free tax preparation at the ICS Main Office this year. 20 volunteers worked twice a week helping families earning \$64,000 or less.

Volunteers are IRS certified and the average filer saves \$250 using this free service.

Volunteers were on track to serve more than 400 people at the ICS Main Office this year with the Volunteer Income Tax Assistance program sponsored by United Way of Tucson and Southern Arizona.

Paula heard about the free tax help from her church. She's on disability and is grateful for the help. "I don't have the money. This helps me out a lot," she says.

Faith Community Engagement News

ICS welcomes our newest partner faith communities! **The Journey, An Evangelical Free Church**, led by Rev. Jim Roden and **The Tucson, Arizona North Stake of the Church of Jesus Christ of Latter-Day Saints** led by Elder Steve Broadbent are very excited to be partnering in outreach with ICS. These congregations and their members have already been involved with ICS in various ways and look forward to continuing their participation. Here is just a sampling of other ICS faith community partners in action:

Rincon Congregational United Church of Christ hosted the classical music concert "If Music Be the Food" that raised 101 pounds of food and \$505 in cash donations for the ICS Food Banks.

- **Casas Church** sent a middle school group to help clean the yards for homebound seniors and to help out at the food bank.
- **Desert Skies United Methodist Church** makes hygiene packs for homeless clients who visit our offices. They deliver the packs every month for those who self-disclose that they are homeless.

- **Northwest Community Friends Church** sent a group of volunteers from their congregation to help with projects at the NW ICS Food Bank.

- Several congregations sent groups of volunteers to help at the ICS Empty Bowls event.

- **Trinity Presbyterian Church** and **St. Francis in the Foothills United Methodist Church**

hosted our most recent ICS Faith

Council Meetings for advocates from our faith community partners.

We are deeply grateful for the caring of our 98 Partner Faith Communities! Together we're impacting many lives for the good. Rick Braun's New Year's Eve Getaway is a long time Southern Arizona celebration which brings in almost 1,000 people from all over the country for two days to ring in the new year. World renowned smooth jazz trumpeter Rick Braun

hosts this annual jazz getaway at the JW Marriott Starr Pass Resort and Spa.

The event always benefits families affected by autism and an additional charity, which was Interfaith Community Services this past year! ICS was nominated by our annual corporate partner and New Year's Eve Getaway sponsor Whole Foods. The event raised over TWICE what it had in previous years! ICS received a generous check for \$12,053. Whole Foods also donated 6,000 pounds of food to the ICS Food Bank as a result of the Feed 4More promotion in November.

Thank you, Whole Foods, Rick Braun and all who supported the New Year's event!
