

## **Lotsa Pasta Food Drive: February 2025**

### **What is Lotsa Pasta?**

Throughout February, ICS has set the goal of collecting:  
5,000- packages of pasta and macaroni & cheese  
5,000- cans of pasta sauce (no glass jars)

### **Why Pasta?**

Spaghetti is an easy meal to feed an entire family:  
1 lb. of pasta and a 24 oz can of pasta sauce can feed a family of four under \$5.

### **When?**

ICS will accept donations for the entire month of February.

### **How do we get the donation to ICS?**

The preferred method is to drop off at either the Northwest Food Bank (2820 W. Ina Rd) or the Eastside distribution office (8701 E. Old Spanish Trail) Contact Becky Lococo to schedule a drop-off at this location [blcococo@icstucson.org](mailto:blcococo@icstucson.org).

Please count your packages before they are delivered and fill out the form. Bring the form with you when you drop off your collection!
